## PUBLIC HOUSE & BREWERY

# PRIVATE EVENT MENU

**The Place Where Friends and Families Meet**

Laurelwood Public House & Brewery is Portland's original certified organic brewery offering event facilities for any occasion. We are celebrated as one of Portland's Best Family Friendly Dining venues and are the perfect choice for wedding rehearsal dinners, company parties and meetings, birthday and anniversary celebrations, high school and college reunions, or any time you are looking for an intimately casual yet memorable gathering.

We are committed to making your event successful. We strive to use products that are local, organic and sustainable whenever feasible. We are family friendly. Please let us know of any special accommodations you may need. We apologize that due to the historical nature of our location, the upstairs is not wheelchair accessible.

Our indoor upstairs is a cozy space reminiscent of an historic home with a private bar for events year round, and our Rooftop Deck is available seasonally. Sylvia's Room & Brewer's Den combined can accommodate indoor parties of 40-50 people depending on how you would like your guests to interact.

Guests are welcome to provide their own Audio/Visual Equipment. We can call and reserve equipment from a rental store and have it delivered (based on availability), however, the cost of the rental and any fees incurred for that rental plus an additional 18% service charge will be forwarded to the guest on their final bill. The entire area is a free WiFi zone.

Guests may book live music, as long as it is not loud and disruptive to the restaurant below. Music must be family-friendly and if it is outside on the patio it must end at 10pm (neighborhood ordinance).

Let us work with you to make your event special. We are confident that you will enjoy the friendly and casual atmosphere at Laurelwood Pubic House & Brewery. Drop in and see us in person anytime! Please visit our website, or contact our Event Planner by phone or email at [events@laurelwoodbrewpub.com](mailto:events@laurelwoodbrewpub.com) for availability and more information.

# FOOD & BEVERAGE MINIMUM

We do not charge a fee to rent the event space; however, there is a minimum food & beverage requirement to be met for each event. The minimum varies based on date, time, spaces and availability. If your bill does not reach the agreed food & beverage minimum (prior to the gratuity and any other set up fees), we will add the difference to the final bill. The minimum may not be met by retail purchases, "to-go" beer or food or gift certificate purchases. Happy Hour items and prices are not available during booked events. Multiple event bookings of the different areas will be served from the same bar. Due to periodic and seasonal changes in business and menus, all information and pricing contained herein is subject to change.

## GUEST COUNTS

A final guest count is required on all buffet and plated event dinners no less than 48 hours before your event. This count becomes the minimum number of guests for which you are charged. In the event that the final guest count is not given, the original guarantee will be charged.

## BAR SERVICE

You have options of hosted bar, no-host bar or hosted drink tickets that you hand out to your guests limited to drinks of your choice. Total owed for drink tickets & hosted bar will be added to your contract. It's up to you if you want to limit it to beer, wine & N/A beverage only or go for the full bar! No-host bar sales will apply toward your minimum, but per established policy, in the event of a minimum shortfall, the balance will be charged to the host as a room charge. We are happy to offer a greeting reception of beer or wine service if you wish.
